I have to forward herewith the persion papers of Chamansab Wd.Umersab Naik of this office noted in the margin and to state as under :- The applicant Chamansab Umersab Naik rendered in all a service of 27 years 9 months and 1 day out of which the period of 5 years 10 months and 9 days being temporary does not qualify for pension.Of the permanent service,the duty period is 20 years,8 months and 5 days.(Total service 21 years,10 months and 23 days minus 1 year,2 months 18 days leave taken after 1-1-1924) which falls short by 3 months and 23 days for earning half persion of Rs. 9/- per mensem under Rule

(2) of the B.C.S.Rules,Volume I, I recommend that the temporary service may be counted towards pension agreeably to the orders contained in Government Memorandum,P.W.D. No.1054-V, dated the 4th May 1926 for the reasons that the applicant has throughout rendered loyal and faithful service else the deficit of 2 months and 6 days may be recommended for condonation under Rule 19(of the B.C.S.Rules,Volume I.

2. The peon was invalidated by the Civil Surgeon,Dharwar, on 15-6-1943 while he submitted his application for pension on 19-6-1943. The delay in submission of the application for pension is trifling and was caused due to inadvertance of the peon being illiterate. The pension may therefore be sanctioned from 15-6-1943.

3. The peon was on leave on average pay without medical certificate for 2 months combined with leave on average pay on medical certificate for 2 months and 6 days. As the retirement is involuntary to incapacitating him for further service the recovery of leave salary overdrawn is foregone under "instruction" to note 5 to Rule 75C (b)(2)(b) of the B.C.S. Rules, Volume I.

forwarded to the Superintending Engineer S.C.Belgaum with the CERTIFICATE AND REPORT OF THE ACCOUNTANT GENERAL BOMBAY NO. P.R.C\344 dated 11th June 1943.

1. CERTIFIED that(subject to the remarks recorded below) duty period of Chaman Sab Umarsab late naik office of the Executive Engineer Dharwar Dn.Dharwar has been duly proved 20 years 8 months and 20 days and that a invalid pension not exceeding Rs.7-2-0 Seven 2/- only per mensem is admissible under rules 239,258 and 282(3) of the B.C.S.Rs. The calculations have been duly verified. The pension is debitable to Government of Bombay, is voted: Pension for service on or after 1-4-36 Rs.2-1-0. As the date of application i.e.19-3-43 is later than the date of retirement i.e. 15-3-43 the pension may commence from the date of application or from the date of retirement according as the sanctioning authority directs under rule 307 of B.C.S.Rs. Attention is invited to rule 188 of the B.C.S.R.

2. The service roll shows that the applicant took L.W.P. for 5 days (12-7-25 to 15-7-25 and on 31-7-25) and not for 20 days as shown in the statement of leave. His duty period thus falls short of 21 years by 3 months and 10 days. If this deficiency is condoned by Govt. or if temporary service for 3 month and 10 days out of his temporary service from 14-6-15 to 21-4-21 is treated as pensionable by Govt. under rule 248 B.C.S.Rs. in order to raise the duty period to 21 years he would be eligible for a pension of Rs.9/- nine only a month as proposed against entry No.11 on the application for pension. It is presumed that the temporary posts hold by him from 14-6-15 to 21-4-21 have not been subsequently made permanent. This may please be confirmed.

3. No provisional pension has been granted to the applicant by this office.

4. A copy of Govt. memorandum P.W.D. No.1054E dated 4-5-26 referred to by the Executive Eningeer Dharwar in para one of his letter No.G.84 dated 24-5-43 may please be furnished as the same is not available in this office.

These papers relate to an application for an invalid pension in favour of Chamdansab Umarsab late Naik, in the office of the Ex.Eng., Dharwar Dn. The Naik was incapacitated for further service from the 15-3-43 after rendering a total service of 27 yrs., 9 months and 1 day of which a period of 5 years, 10 months and 8 days was on the tempy.estabt. The duty period of his service amounts to 20 years, 8 months and 20 days for which the Naik is entitled to are invalid pension of only Rs 7-2-0 p.m. under B.C.S.R. 258 and 282(3). His duty period falls short of 21 years by 3 months and 10 days thus preventing him from being eligible for a full pension of Rs 9 p.m.

2. It was decided that the question of allowing menials brought on to the permanent estabt. in G.R.No.1854, dated the 8-6-25 to count their tempy service towards pension should be considered individually by Govt. on the merits of each case at the time of retirement - vide G.M.No.1054-E, dated the 4-5-26. On the analogy these orders it is for consideration whether the S.E., S.C's recommendation to allow a period of 3 months and 10 days out of his tempy. service ~~as~~ from the 14-6-15 to the 21-4-21 to count towards pension in order to raise the duty period of the Naik to 21 years under B.C.S.R. 248 and that he be given an invalid pension of Rs 9 p.m. with effect from the 15-3-43 may

The P. W. I. proposes to allow Mr. Chamanab Umarsab to count a period of 3 months and 10 days out of his temporary service towards pension in orde to make up 21 years' service. Attention is invited in this connection to G.C.,F.D. 6957 dated 15-7-36. The Govt. has decided that proposals for counting temporary service towards pension should be accompanied by certificates from the Collr. concerne to the effect that the persons on whose behalf the proposals are made are really in indigent circumstances. This principle is followed at present in dealing with such cases and there is no reason why the same should not be applied in the present case also. The P.W.D. may,therefore, be requested to consider this point.
